Paul Mitchell The School Rexburg

NAIL TECHNOLOGY 600 HR. COURSE INFORMATION

NAIL TECHNOLOGY 600 HR. COURSE DESCRIPTION

Nail Technology: ***SOC 39-5092.00, CIP Code: 12.0410***

The curriculum involves 600 hours, which exceeds Idaho State requirements. The course of study includes extensive instruction and practical experience in manicures, pedicures, nail enhancements (to include: acrylic, hard and soft gel, and hybrid), massage, customer service, personal appearance & hygiene, personal motivation & development, retail skills, client record keeping, business ethics, as well as sanitation, Idaho state laws & regulations, salon-type administration, and job interviewing.

The state of Idaho requires 400-hours of education to become licensed as a nail technician; however, the school is approved by the state to offer a 600-hour nail technology course. With the additional 200 hours the students will receive additional practical experience and classroom theory in each subject.

Graduates are prepared to become an entry level nail technician.
This course is taught in English. Textbooks and course materials are only offered in the English Language.

NAIL TECHNOLOGY 600 HR. COURSE OVERVIEW

Course Hours: 600 clock hours

The course is divided into pre-clinical classroom instruction and clinical service learning experiences.

- **Pre-clinical Classroom Instruction:** The first 150 hours are devoted to classroom workshops, demonstration, and practical experience . You will learn nail principles, technical information, and professional practices.
- **Clinic Classroom Learning Experience:** The remaining 450 hours are spent in the clinic area, gaining practical experience.

NAIL TECHNOLOGY 600 HR. COURSE OUTLINE

Your time at Paul Mitchell The School Rexburg for the nail technology program will be divided into two (2) designations:

- **Core Curriculum:** This 150 hour time period is dedicated to exploring foundational knowledge and basic nails procedures and enhancements. You will receive individual attention in practical workshops, and you will complete technical requirements and periodic tests throughout the course. This is an intense and exciting portion of your experience.
- **Clinic Classroom Experience:** Your remaining 450 hours will be spent in a clinic classroom environment. You will dress, act, and work like a true professional. You will use your own technical and therapeutic abilities, coupled with the assistance of Learning Leaders, to provide service to guests. You will make discoveries and learn relationship-building skills that will ensure your success in this exciting, diverse field.
- **Creative Curriculum:** You will dress, act, and work like a true professional. You will use your own technical and therapeutic abilities, coupled with the assistance of Paul Mitchell The School Rexburg Learning Leaders, to prepare for your future salon and spa career.

The state of Idaho requires 400-hours of education to become licensed as a nail technician; however, the school is approved by the state to offer a 600-hour nail technology course. With the additional 200 hours the students will receive additional practical experience and classroom theory in each subject.
